Your Assets are Increased

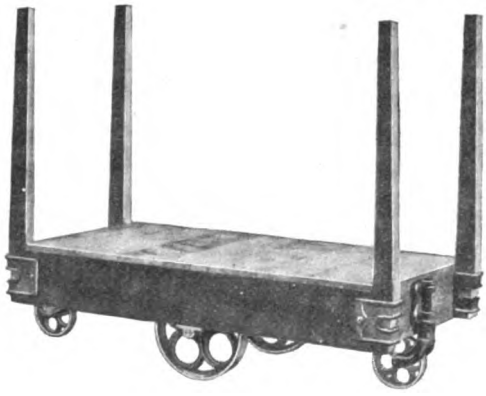
When your factory is supplied with

Globe Vises and Trucks.

Not only in the cash value of them, but in time and labor saved. Also, you get value received on every order given us because they have the stuff in them that makes superior quality. If you have never used the

Globe Quick-acting Cabinetmakers Vises

it will pay you to investigate. Others have, and are now equipping entire factories with them. They are reasonable in price.



The Globe Truck

talks for itself. It is strong and substantial—built for service. Its many good features will appeal to you. Just write us. You'll be surprised at the price when you fully appreciate how good it is.
